**Project No. 50664**

**Pathwayz Communications, Inc. Filing**

**March 20, 2020**

**Management of Pathwayz Communications recognizes the public health concern presented by the COVID-19 virus and has taken the following steps:**

**Pathwayz Management has:**

- 1. Shared relevant information from the Center for Disease Control and other sources with Pathwayz staff to make sure they understand the risk and the steps to take to reduce the spread of the virus.**
- 2. Verified the ability to operate and manage equipment used in providing telecom and internet services remotely in the event of a quarantine travel restrictions**
- 3. Verified that critical staff have access to work from their home and access necessary systems in the event of a quarantine travel restriction.**
- 4. Conducted a review of readiness to respond to service outages in the event of quarantine travel restriction.**
- 5. Reviewed travel plans to eliminate unnecessary travel and reduce the risk of contact with the virus.**

**No interruption in service is anticipated in the event of a COVID-19 virus emergency.**
